

# Santa Teresa Rail Facility Construction Launch

You are invited to join Union Pacific as we celebrate  
the construction launch of the Santa Teresa Rail Facility

This state-of-the-art facility will be located just west of the Santa Teresa Airport on 2,200 acres  
and will include fueling facilities, crew change buildings, an intermodal yard  
and an intermodal ramp with an annual lift capacity of up to 250,000 containers.

**Monday, August 8, 2011**

10:00 a.m.

Verde Logistics Park

2800 Airport Road

Tented event on Tarmac Road (formerly Constellation Boulevard)

Santa Teresa, New Mexico
